## Nazira Mandlik

*Luckily, I was introduced to BOLT and I could do my first shipment directly. As I got a competitive freight rate, and the services were also good both at the POL and POD.*

*I am regularly dealing in tank containers for my shipments. Every time I was moving my shipments through freight forwarders and NVOCC's. I always wanted to work directly with the tank operators. Luckily, I was introduced to BOLT and I could do my first shipment directly. As I got a competitive freight rate, and the services were also good both at the POL and POD. That's how we continued with more shipments through BOLT.*

*I liked the team's work passion, follow ups and end to end service. Thank you BOLT and looking forward to more competitive freight quotes.*
